

## How to Log in to SZUTEST ACADEMY and Access Your Lessons

### 1. Navigating to SZUTEST ACADEMY

- Open your preferred web browser.
- In the address bar, type the SZUTEST ACADEMY web address <https://academy.szutest-germany.de> .
- Press Enter or click Go.

### 2. Logging In

- On the top right corner of the SZUTEST ACADEMY homepage, click on the "Login" button.

- Click on the "Log In" button.

The image shows a login form with the following elements:

- A text input field containing "Your Email@szutest-germany.de".
- A text input field containing "123456".
- A dark grey button labeled "Log in".
- A link labeled "Lost password?".
- A section header: "Some courses may allow guest access".
- A dark grey button labeled "Access as a guest".
- A language dropdown menu showing "English (en) ▾".
- A button labeled "Cookies notice".

- username field: enter your email address. Remember, if you have a German email address, use that.
- password field: enter the initial password provided which is "123456".

### 3. Changing Your Initial Password

The image shows a navigation bar with the following items: Home, Dashboard, Events, My courses.

Below the navigation bar, there is a message: "You must change your password to proceed."

The "Change password" form includes:

- A "Username" field with a masked email address "@szutest-germany.de".
- A note: "The password must have at least 6 characters".
- Three password input fields labeled "Current password", "New password", and "New password (again)".
- Red arrows pointing to each of the three password input fields.
- A "Save changes" button.

- Upon your first login, you'll be prompted to change your password for security purposes.
  - Enter your old password (which is "123456").
  - Now, type in your new desired password and confirm it. Make sure it's something you'll remember and is secure.
  - Click "Save" or "Update".

### 4. Accessing Your Lessons

- Once logged in, you'll be directed to your dashboard. [Insert picture of dashboard]
- Navigate to the "Courses" or "My Lessons" section. [Insert picture highlighting the courses or lessons section]
- Here, you can see all the lessons assigned to you. Click on a lesson to view its content.

### 5. Seeking Help

- If you face any issues or have questions, remember you can always contact Ali Reza for technical support via [ali.reza.sheikhi@szutest-germany.de](mailto:ali.reza.sheikhi@szutest-germany.de).
